

Expanda-Stand announces Platinum Sponsorship for Tour Down Under

The Tour Down Under has been ingrained into South Australia's history for the past 11 years, and this year it is branching out to our home, the Clare Valley.

Our company has been dedicated to supporting great causes in Australia, over the last few years raising in excess of \$60,000 for the [Make-A-Wish Foundation](#). We have identified The Tour Down Under as being an exciting tourism opportunity for our growing town so we have become Platinum Sponsors.

Being an Australian company we are dedicated to supporting the talents of Robbie McEwen, Cadel Evans, Allan Davis and others. Support us, support them and keep an eye out for our support vehicles, that'll be sure to grab attention!!

For more information visit [The Tour Down Under](#) and the [Clare and Gilbert Valleys Council](#) websites.
